

Mary Kay Lash Love Mascara

In an independent consumer study*, women who wore Mary Kay® Lash Love™ Mascara for seven days loved it! In fact, the majority of women said it lasted for 10 hours or more! And 3 out of 4 women said there were no clumps in sight! Testing also showed that the formula didn't run when eyes watered or teared up — and it didn't smudge even after a workout. Here's what else they said:

- 90% said it lasted all day without flaking or smearing
- 90% said lashes looked defined and felt natural not heavy
- 89% said lashes looked lifted
- 85% said lashes were separated and looked multiplied

*Study conducted by an independent research company

Oil-Free Eye Makeup Remover

Gently removes all type of eye makeup, without leaving skin feeling greasy.

MEDICAL RESEARCHERS TELL US: "The skin around the eyes has fewer sebaceous glands and less collagen and elastin than skin elsewhere on the face. And, as people age, the fat pad beneath the dermis diminishes, causing the skin to appear even thinner and the hollowed-out appearance under the eyes. These unique characteristics of eye-area skin require a little extra attention."

Be sure to shake the bottle well to mix the two phases of the product.
