Join your Girlfriends for an exciting trip to Dallas, TX!!

**WHEN:** June 13th and 14th

**TO QUALIFY TO GO:** Earn 6000 points or more in the *Set the Pace for Success* Pacesetters Program. For consultants earning 25,000 or more, your hotel and dinner out on the 13th will be paid.

We'll be caravanning down with several other units and their pacesetters, leaving early Monday morning and arriving in Dallas in time to shop at the SECRET outlets where Directors buy their fun prizes and things. Then off to our hotel for a chance to primp for our dinner out.

Early Tuesday morning we'll head out to Mary Kay headquarters, visiting manufacturing (see how your product is made and packaged), distribution (where your orders are processed), and the corporate headquarters (where you can visit Mary Kay's personal office and view the museum.) We'll have lunch there, too.

We'll head back that afternoon and get back home late evening. There's nothing like touring the headquarters in a private group rather than in the huge crowds at Seminar. This will be such a fast, fun trip that you've just **got** to qualify to go!! You can do it!! The cost will be minimal, and even less if you earn 25,000 points or more!

Pacesetters begins Monday, April 4th!! You can do it!! **Let's GO!!**
