

The boxes and bows have been tossed to and fro
And now we've slowed down to the moonlight's glow.
The day has been special, from beginning to end
Because of the love you endlessly send.
I feel very blessed to have shared this day with you,
And am very grateful for all that you do.
This is a **PILLOW GIFT** as you can see,
Given with love to you from me.

The boxes and bows have been tossed to and fro
And now we've slowed down to the moonlight's glow.
The day has been special, from beginning to end
Because of the love you endlessly send.
I feel very blessed to have shared this day with you,
And am very grateful for all that you do.
This is a **PILLOW GIFT** as you can see,
Given with love to you from me.
