

## *For My Valentine*

Because I love to see you smile,  
I want to indulge you  
for a little while.  
Because you are loved  
for all you are and all you do,  
I've arranged a special  
Day of Pampering just for you!

## *For My Valentine*

*The Day I Looked  
Into Your Eyes Is The  
Day I Fell In Love  
Forever*

## *For Four Kisses So Sweet*

*For all those kisses I stole from you  
And for the ones you freely gave  
For your tender kisses upon my cheek  
And for the hurts you kissed away  
For all that your sweet lips have endured  
While loving me in every way  
I want to take care of those precious lips  
With this gift for  
your Valentine's Day!*

*These cards are to be used with the Sweetheart Essentials gift set. Print on white card stock and cut out. Place it in an "invitation" size envelope (4 3/8 x 5 3/4"). Office Depot sells them in boxes of 100 for under \$4.00. Place each card in the appropriate pocket. The card for pocket #4 needs to be a personalized card that he purchases and signs himself - and then he can present it when she opens pocket #4.*
