

Now apply **TimeWise Night Solution** on the "pampered side" of your face. Let it dry. Follow with **TimeWise Day Solution** on the pampered side. Normally you would only use Day Solution in the morning and Night Solution at night, but I want you to see and feel the difference in your two sides.

**Microdermabrasion**—Splash water on 1/2 of your face. Using the **Step 1 Refine** packet, massage the contents on 1/2 of your face, (we'll call this side your "pampered side") making sure your face is wet as you massage. Massage for 1 minute and rinse. Pat dry.

**1 Cleanser**—Apply 1/2 the packet of **TimeWise® 3-in-1** face and neck. Remove with a wet cloth.
