FYI

This list is for you to use during the Glamour School. You have a place where you can write in the names of the colors you use.

You can check the products that you love and want to remember to purchase. Each week we will be offering you a special on one of the featured products for that week.

It is highly recommended that you purchase the professional Brush Set for use in weeks 2, 3, and 4. If you have purchased any of the products we will be using for a class, you'll find it easier to bring your own products from home to work with, rather than using our little samples. However, we will be happy to provide samples to you.

Your best value to be able to recreate the looks we do each night is to purchase the Create-A-Roll-up, and you'd even have the Travel Bag to bring your products to class. Ask your consultant about this option.
