

Woman of Influence ~ Woman of Honor ~

In recognition of being
selected for this honor

MARY KAY®

Presented to

Evea Jane Sigle

My mother was the most influential woman in my life. She taught me right from wrong and to never give up. She encouraged me to be a goal setter, to put my family first, and to have faith in the face of adversity. She is a wonderful Christian woman and I admire and respect her. It is my privilege to nominate her as a Woman of Honor.
